## Al-Aqsa Safety Plan for 2020-2021

We at Al-Aqsa will be taking all necessary measures to stop or minimize the spread of COVID-19 and the Coronavirus. We will utilize EPA approved cleaning protocols and methods that are recommended by the CDC to fight against the coronavirus and COVID-19.

Safety measure will be taken in every aspect. This will include morning arrival, in classrooms, in hallways, lunchroom and using the bathroom and departure from school. Breakfast and Lunch services will also be under strict safety guidelines. Kids will eat in their classrooms and proper hygiene will be practiced after all meals.

All classrooms will follow a handwashing schedule. Hand sanitizer will be available in classrooms and throughout the building. Posters and signs will be visible throughout the building to remind staff and students of our safety practices.

The following actions to prevent and diminish the spread of COVID-19 and the Coronavirus:
